

Functioned services

we offer following services Osteopathy, treatment techniques, manipulation, examination, foot, ankle **OSTEOPATHY** Osteopathy is a systemic, manual medicine that holistically identifies functional disorders in the body and specifically activates the body's natural healing processes. The focus is not on the symptom, but on the cause – with the aim of sustainably improving mobility, balance, and health.

More information Physiotherapy, resistance band, exercises, regeneration **PHYSIOTHERAPY** Physiotherapy helps you to specifically improve mobility, strength and function and to sustainably reduce pain – actively, evidence-based and individually tailored.

More information Orthopedics, traumatology, sports medicine, treatment, doctor, consultation, knee, knee injury **ORTHOPEDICS & TRAUMATOLOGY** Our orthopedic, traumatological, and sports medicine care is based on modern diagnostics, evidence-based methods, and state-of-the-art medical technology. The individual is at the heart of everything we do: We analyze precisely, listen carefully, and work together to choose the appropriate therapy, whether conservative or surgical. Our goal is a rapid and lasting restoration of your physical capacity – with a focus on prevention, stability, and long-term performance.

More information Rheumatology, medicine, health, internal medicine, doctor, patient **RHEUMATOLOGY | INTERNAL MEDICINE** Our rheumatology and internal medicine departments offer state-of-the-art diagnostics and targeted therapies for inflammatory and degenerative diseases. We conduct thorough analyses, provide evidence-based treatment, and offer individualized support to reduce pain, control inflammation, and sustainably improve your quality of life.

More information Medical massage, sports massage, massage techniques **MEDICAL MASSAGES** Our medical massages relieve muscle tension, improve blood circulation, and promote regeneration and well-being. Using targeted, professional techniques, we support you in reducing pain, increasing mobility, and providing lasting relief for your body.

More information Acupuncture, acupuncture needles, Tuina **ACUPUNCTURE | MARIAN LEUTHOLD | 5 ELEMENTE GMBH** Our acupuncture, offered by Marian Leuthold of 5 Elements, supports the body in relieving pain, harmonizing energy flow, and holistically regulating functional disorders. Precise, results-oriented techniques create a natural balance for greater well-being, stability, and inner harmony.

More information Mental coaching, balance, freedom, positive mind, mindset
